## PROFIL

Business Intelligence Junior Consultant with an atypical background blending data, web, and entrepreneurship. Bilingual in French and English, I design operational dashboards and data analyses for impactful insights. Skilled in Splunk, Power BI, SQL, Python, and R. Master's degree in Information Systems / Data Intelligence (IAE Grenoble).

## EDUCATION

### IAE GRENOBLE | 2023

Master's Degree, Information Systems  
Data Intelligence - Alumni

### IAE LE HAVRE | 2021

Bachelor's Degree International Management  
Bilingual French / English

## TECHNICAL SKILLS

- Business Intelligence & Data Analysis: Power BI, Tableau, Splunk, SQL (Oracle, MySQL), R, Python
- Web Development: HTML, CSS, JavaScript
- Project Management: GitHub, Agile Methods

## PROFESSIONAL EXPERIENCE

### Splunk Consultant Intern – Orange Business, Grenoble

(Apr–Sep 2023)

- Audited and optimized a demo platform (30 dashboards), resolving access and obsolete data issues.
- Created operational dashboards (daily volume metrics for Oracle/Salesforce) and cross-log analyses.
- Implemented SSL monitoring with automated alerts, reducing detection time of incidents by 25%.

### Web Developer – Osteopath Amauguin Pili (Remote)

(Jul–Sep 2022)

- Created a website (HTML/CSS/JS/MySQL) and digital content for social media, reaching 1000 accounts.

## PROJECTS & CONTINUING EDUCATION

### Airbnb Property Management

(Oct 2023–Mar 2024)

- Achieved a 91% occupancy rate and a 4.9/5 average rating.

### Extended Travel – Canary Islands

(Mar 2024–May 2025)

- Cultural immersion, Spanish practice, and ongoing BI learning.
